

## AFTER-SCHOOL CARE

Blessed Sacrament Catholic School's Falcon's Nest (K-8) and Fledgling's Nest (Preschool) programs adhere to the same vision and mission as our school. We strive to develop and nurture the gifts of each child in a fun, play-based environment following normal school hours.

### PROGRAM OVERVIEW

After-school care operates 3:00-6:00pm during regular school days. Full-Day options are offered during school professional development days from 8am-6pm.

Fledgling Falcon's Nest (Preschool) provides a play-based environment for preschool-aged children to extend their classroom activities at the end of the school day. The program is located in the Preschool Cafeteria (P3 & P4) and the Preschool 2.5-Year-Old Classroom (P2). Children also spend time outside on the Preschool Playground whenever the weather allows.

Falcon's Nest (K-8) provides homework and study support, daily opportunities for reading, small group activities, and individual or group play in the gym or on the playground. This program is located in the Gym Building Cafeteria.
